

Facet5 SuperSkills

Preparation for the course

- ✓ multilingual **online** questionnaire, internationally validated
- ✓ detailed report to know your **natural** communication **style**

Course structure – virtual classroom

- ✓ 4 modules (2 hours each) with exercises during and between one module and another
- ✓ **individual development plan** at the end of the last module
- ✓ follow-up (2 hours) after 6 weeks to share the progress and results obtained and continue the application of the techniques acquired
- ✓ **maximum 6 participants**

Individual coaching upon request during or after the course for a **customised** approach based on your specific needs

Why participate?

A shift to more inclusive management styles, rapidly changing markets demanding ever more cross-functional collaboration and faster innovation, and trust in leaders at an all-time low. The need for authentic, open dialogue within organisations has never been greater.

The course provides **proven techniques and tools** for improving the effectiveness of five fundamental skills of communication: presence hyper-awareness, de-coding, voicing, flow control.

The course includes **simulations with feedback** in order to facilitate participants' engagement and learning.

Objectives

- ✓ recognise the importance of having **on-going, high-quality conversations**
- ✓ describe the core **neuroscience** that underpins conversations
- ✓ identify your **natural strengths and development areas** related to the five SuperSkills of Great Conversations
- ✓ acquire **techniques and tools** to improve each of the five SuperSkills
